## Conditions for all offers

1. The grant is to be used only for the purposes outlined in the submission approved for funding by the Trustees. Acceptance of the grant shall be evidence of your acceptance of this condition and your agreement that, in the event of a breach of this condition, the grant shall be returned in full with interest from that date of breach to the date of repayment at 5% above the published Base Rate of the Bank of England during this period.
2. Overheads, administrative costs, VAT, professional fees and delivery costs will not be met from the grant.
3. Unless otherwise stated, the grant must be claimed within one year of the award.
4. The grant will not be increased for any reason.
5. In the event that the total expenditure is less than the value of the grant, only the actual expenditure will be met. The balance of the grant will then be withdrawn.
6. Unless otherwise stated the grant will be paid in one instalment on:
  - i) Confirmation that all the funds for the project or phase presented in the application are available.
  - ii) Confirmation that work/equipment to the value of the grant was completed/ordered **after** the date of the award.
  - iii) Sight of paid invoices/architect's certificates to the value of the grant or greater and evidence that the work has been completed. Please note that a covering letter should be attached to the paid invoices, linking them to the original application. (see paragraphs 2, 11 & 12)
7. Researchers or organisations in receipt of grants from the Wolfson Foundation should acknowledge support in any relevant published or public communication.
8. Reports on progress must be received by 1 May and 1 November until the grant is fully paid. As well as a brief update on progress, reports should include the likely date(s) of claim, the estimated date for completion of the project and the details of the main contact for the project.

## Capital Projects : additional conditions

9. The design, fabric and costs of the building must be acceptable to the Trustees.
10. The building will be properly maintained.

## Equipment : additional condition

11. Evidence that the equipment has been properly costed, installed and is functioning satisfactorily.

## Recurrent Grants : additional condition

12. The grant will be paid in annual instalments on receipt of a satisfactory annual report of no more than 1,000 words. The report should include an account of academic or other progress and a financial breakdown comparing payments with actual expenditure.

**NB** If no report is received by the specified date, payment of the next instalment will be delayed.

## Acceptance of the offer

Please provide:

1. Confirmation, in writing, that you are willing to accept the grant on the above conditions.
2. The likely month(s) of claim of the grant.
3. The following details of the bank to which payment should be made:

bank name and address  
sort code  
account name  
account number

Payment will normally be made to a UK registered or statutory charity.

*These conditions apply also to grants made by the Wolfson Family Charitable Trust, a sister trust of the Wolfson Foundation.*
