

Application guidelines

These guidelines are issued to organisations that have been invited to submit a stage 2 application under the Arts & Humanities programme. Please contact the grants team (020 7323 5730) before starting your application if there have been any significant changes to your project since the submission of your stage 1 application. These guidelines are regularly updated so please check our website to ensure you are following the latest version.

Deadlines

Stage 2 applications should reach us by either **1 March** (for a June decision) or **1 September** (for a December decision), unless another deadline date has been agreed.

Content

Your stage 2 application should contain the following information, as well as any additional details requested in your invitation letter.

1. Cover letter

A cover letter signed by the Chief Executive or equivalent.

2. Organisation profile

A short introduction to the organisation, including its history, notable achievements, current aims and future plans.

3. Project Details

a) Brief summary

This should focus on the specific area for which the funds are requested, presented in the context of the wider project, if relevant. The letter inviting a full stage 2 application may indicate specific areas on which the application should focus. If the project is not based at the organisation's main address, please make clear the location of the project.

c) Visitor or audience numbers

The latest annual visitor or audience figures and an estimate for post-completion of the project. A short justification for projected figures should be included. For new initiatives, only projected numbers are expected.

d) Project timetable

Give an indication of the anticipated timeframe for your project (i.e. when work will start and finish or when purchases will be made and equipment installed). Awards are not made retrospectively, therefore the project must be ongoing after the date of the award.

e) Ownership, lease and planning permission details

If leased, please specify the length of the lease. Please detail whether planning permission/consents are required and if so, when they were obtained. Unless otherwise agreed, planning permission should be in place before submitting your stage 2 application.

4. Finance

a) Total project cost and breakdown

The breakdown of costs should list the cost of each element/stage, with VAT and professional fees indicated separately. Please note that VAT costs should be provided even if recoverable. For phased projects, the cost of each phase should be given, as well as the total project cost. Specific figures should be given for all costs and not be rounded.

b) Funding options

Highlight elements of the project to which a grant might be allocated, including their cost, e.g. specific rooms or areas, fixtures or fittings, or equipment. VAT should be indicated separately. While applicants are not encouraged to request a specific amount, the Foundation may link an award to one of these areas.

c) Fundraising summary

List the amount and source of funds already received and/or pledged, and the plan for raising the balance. For phased projects, present the funds raised towards each phase. If funds are not restricted to a particular phase this should be indicated. Please also include a list of any forthcoming funding decisions (with dates). Unless otherwise agreed, applications are considered only when at least 50% of the necessary funds have been raised.

d) Running and maintenance costs

You should state whether or not your running and maintenance costs are expected to change. Increases in running and maintenance costs should be explained, including a summary of how these will be met.

e) Assurance that the project has been/will be subject to competitive tender

It is expected that projects are put out to competitive tender.

An example of how to present your project's financial information is available at www.wolfson.org.uk/funding/application-guidance/.

Please provide their name, address, telephone number and email address on your summary sheet. There is no obligation to nominate a reviewer.
