- 1 The grant is to be used only for the purposes outlined in your application and as stated in your *Letter of Award*. By returning the signed *Award Acceptance* and by submitting a claim for payment of the grant, you confirm your acceptance of the conditions within the *Letter of Award* and this leaflet.
- **2** The grant will not be increased for any reason.

- 4 The building and/or any equipment associated with the grant must be properly maintained.

Public acknowledgement

- 5 Award holders should acknowledge the Wolfson Foundation's support in any relevant published or public communication. You can find further guidance on our website at: www.wolfson.org.uk/grant-holders/press-publicity
- 6 Any communication or media release relating to this award should be approved in advance by the Wolfson Foundation.

Data protection and privacy policy

7 By accepting this award, you acknowledge that the Wolfson Foundation will process your personal data in accordance with its Privacy Notice for Applicants, Grantees & Scholars, as well as these Grant Conditions and any other relevant terms and conditions between us. A copy of that Privacy Notice is available on our website at:

Reporting

8 You must submit progress reports by 30 April and 31 October each year until the grant is fully paid. These should include a brief update on progress, the likely date(s) of claim, the estimated date for completion of the project and any updated details of the main contact for the project.

Six month progress reports are submitted online and further guidance is available on our website at: www.wolfson.org.uk/grant-holders/reporting
The grant may be withdrawn if you do not submit regular reports on progress.

9 You must submit a brief, final report no later than one year from the date of project completion. This should outline the outcomes of the project, relating them to the aims originally stated in the application. We are keen to encourage candour about any challenges and changes to the project. Where relevant, we appreciate the receipt of digital images.

Our *Final Report Form* and further guidance can be found at: www.wolfson.org.uk/grant-holders/reporting

- 10 You must inform us promptly at any time up until the submission of your final report (see clause 9) if:
 - Your organisation, or contractors engaged to deliver the project, are the subject of any formal inquiry conducted by the Charity Commission, HMRC, police or other regulatory bodies with legal powers, including (but not limited to) safeguarding incidents
 - Any criminal, negligent or dishonest acts come to light, including acts committed by the organisation's staff, volunteers, governing body or by contractors engaged to deliver the project.
- payment of the grant, or to withdraw it altogether, in the event of misrepresentation, serious criminal behaviour or other wrongdoing which, in the view of the Foundation, would have influenced its decision to award the grant had it been known at the relevant time or which, by association or otherwise, risks harming our reputation. In such circumstances, where a formal association with the project has been agreed through the use of the Wolfson name, we reserve the right to withdraw from this agreement at any point. The Foundation also reserves the right to ask for the removal of the Wolfson name at any point, including after the grant has been paid.
